189 Eglin Parkway, Suite 201  
Fort Walton Beach, FL 32548

Congratulations! The winning silver entry below will automatically be forwarded to the District ADDY Awards competition. Although your entry did not receive a gold it was the highest scoring silver in a category where a gold was not awarded. This entitles it to move forward to the next level of competition for no additional fee. Each item moved forward is judged all over again on a level playing field. Good luck!
